Welcome & Unwind

Welcome to Oakcliff Holiday Park, the perfect place for a holiday packed with peace and quiet, rest and relaxation.

Oakcliff has been part of our family for many years, providing a beautiful base nestled in the heart of the attractive Devon countryside.

Designed around our Georgian house, offering comfortable, quality holiday cottages, Oakcliff's lawns and parkland offer an eye-catching retreat alongside Dawlish Warren, a Blue Flag quality beach and a 600-acre nature reserve.

We are looking forward to 2018 with great excitement. In addition to a range of first-class accommodation that includes our new Pinewood luxury caravans in-addition to our cottages.

What's more, we have introduced a number of additional conservation features, fitting for a holiday park set in such a wonderfully green environment. Solar panels will generate 150kws of power a day, enough energy for the whole of Oakcliff.

All of which means your stay at Oakcliff is even more relaxing, as you can rest assured you are helping the planet too.

Please browse through our brochure then pop online to book your holiday. Alternatively, pick up the phone and give us a call.

We look forward to greeting you.
